**RE: NPDES # WA-002666-2, Best Management Practices Plan – July, 2014 -
ELWHA WATER TREATMENT PLANT**

Attn: Jeff Kenknight

As noted in the NPDES requirements of the special conditions section part B for Best Management Practices Plan. The BMP committee certifies that the review of the BMP Plan meets the requirements of NPDES permit.

The report is being submitted by Veolia Water North America (VWNA) Operating Services on behalf of the US Department of interior, Bureau of Reclamation.

Please contact me if you have any questions or comments regarding this certification.

Sincerely,
